

LPCERTIFIED

Loss Prevention Certified (LPC)

The LPCertified (LPC) is a certification that was designed as advanced education for loss prevention management and executives who hope to further their career in the loss prevention field. LPCertified was designed with the input from professionals from over fifty of today's leading retail companies.

In order to earn your certification you must pass the LPCertified proctored exam. While you are not required to purchase the LPC coursework prior to taking the exam, it is the best study tool available to assist you in passing the LPC exam.

The LPC coursework is composed of six modules with curriculum focused on leadership principles, business principles, LP operations, crisis management, supply-chain security, and safety and risk management. Module details are shown below.
