

POWERED BY THE LOSS PREVENTION FOUNDATION

# LPCertified (LPC)

The **LPCertified (LPC)** is a certification designed as advanced education for loss prevention management and executives hoping to further their career in the loss prevention field. **LPC** was designed with the input from 300+ professionals from more than 130 of today's leading retail and solution provider companies. To earn certification you must pass the LPC proctored exam (200 multiple choice questions). You are not required to purchase the LPC course prior to taking the exam; however, it is the best study tool available.

**\*The LPC qualifies towards Bachelor credits at American Military University, Fairleigh Dickinson University, Mississippi College & Master's credits at Eastern Kentucky University.**

The LPC prep course is composed of 6 courses, 31 sections, nearly 1200 pages of text with curriculum focused on Leadership Principles, Business Principles, LP Operations, Safety & Risk Management, Crisis Management and Supply Chain Security. Each course includes section review questions, practical applications, and a practice exam at the end of the prep course. The course is delivered 100% on line, includes video demonstrations & pictures. It is self-paced with no hard copy or CD. A study gopher allows for note taking which can be printed. Completion time is approx. 60 hours.

## **Serving the Loss Prevention Industry**

The Loss Prevention Foundation (LPF) is an international leader in educating and certifying retail loss prevention and asset protection professionals. LPF's mission is to advance the retail loss prevention and asset protection profession by providing relevant, convenient and challenging educational resources. LPF is responsible for administering the industry's only internationally sanctioned LP credentials: LPQualified (LPQ) and LPCertified (LPC). LPF is also focused on driving more talent to the industry from colleges, universities, military and law enforcement through its Academic Retail Partnership Program and its Hire A Vet Program.

The Foundation is a not-for-profit 501c (6) organization founded by leading industry professionals to serve the loss prevention industry.
